STAFF NOTES

Welcome back after an icy week! 2024 certainly has been full already but with lots of exciting things happening. Our kids have begun their new challenge: Books of the Bible. This spring we will learn all 66 books of the Bible and work on some very important Bible skills necessary for every believer. We've also kicked off our Mission/Giving Emphasis for Matthew and Sarah Thompson in Papua Indonesia. The kids have already been learning some new languages of their own (Pig Latin and picture-form). We will continue to learn more about the culture and work of the Thompsons in Indonesia.

Don't forget: tonight, we start back with Community Groups. This is a great time to connect with "your people" or find some new people. If you haven't joined a community group yet, talk with Bro Frank and he will get you connected! Let's Roll!
