### STAFF NOTES:

Calvary family! What a joy it is to spend a few moments this morning and worship God together.

I want to say a huge THANK YOU! As the Gym Upgrade continues, I am excited to share that you gave a little over \$31,000 towards the project. How exciting to see a church family rally around a need and come through. The work continues this week which means no Family Meal on Wednesday. We should be able to continue next week, but watch the handout for details.

We celebrate the physical work being done around here, but most importantly we celebrate the work being done in our inner man. There is so much that God has done in our lives, worship should be our natural response this morning. Let's put aside all the distractions life throws at us and give these next few moments to God. Let's worship!
