### STAFF NOTES:

Tonight, we will come together to praise and worship our great God through singing and hearing the Word. It will be a special time together that will allow us as a church family to focus on the greatness and the transcendence of the Lord, while allowing Him to draw near to us and reveal more of Himself to us. Of course, this is the goal, every time we gather on Sundays, but to experience this at a different time and in a different context will allow us to get out of our routine and regular rhythm and shake things up a little bit. I hope you will join us as it will be a special time for us to be together as a church family! It all starts at 5pm in the Worship Center!
