*Thank You...*

I was pretty shocked and very surprised last Sunday! I also felt very honored. Thank you for recognizing me and celebrating my 25 years at Calvary. I can't believe how fast 25 years passed.

Marty and I have been blessed to call Calvary and Henderson home. Thank you for loving me through all my struggles, short-comings, and faults. Calvary is a great church! Our prayer is that God would continue to bless and grow our church. We love being here at Calvary and growing together in the Lord with you all! Thank you for being a part of our lives and for pouring into us and into our children.
