Homework:

1. Ask the Lord Jesus for forgiveness and to help you walk in freedom
2. Everyday confess Jesus as your personal Lord and your personal Savior to everyone you come in contact with, Make It Plain
3. Open clear communication with the Lord through prayer (talking with Him)
4. As the week goes by confess every sinful act and thought as they come or happen.
5. Begin collecting (writing down and even memorizing) scriptures you can use as ammunition against your flesh and the devil as they come
6. Go to those who have wronged you or you have wronged and ask for forgiveness (if possible). Let everything you hold against others, let it go. (Eliminate all door stops)
7. Begin to look at everything and everyone with a humble and thankful heart
8. Ask the Lord to help identify areas of sin and or the occult that have doors open to demonic or fleshly control.
9. Ask the Lord to lead you by His Spirit, ask Him to fill you with His Spirit ask for the fulness of His Spirit to be activated in you through fruit and to operate in the gifts of His supernatural Spirit daily.
10. Expel all and relinquish all control of evil spirits at work in your life and command them to leave because of the authority of Jesus who now works in you!

* Reread this and reapply daily! Not as a work or formula but as a simple tool for deliverance!

** It Takes Total Commitment, For Total Victory, and often Prayer and Fasting!
