A theme that threads throughout scripture: \_\_\_\_\_

Why is it so difficult?

Trusting God requires \_\_\_\_\_.

It is not too late to begin, but eventually it will be.

How do we begin trusting God?

4. Start at the \_\_\_\_\_, then move to the \_\_\_\_\_.
5. Pray your \_\_\_\_\_ into \_\_\_\_\_.
6. Enjoy the \_\_\_\_\_.

*Trust in the Lord with all your heart,  
and do not rely on your own understanding...*
