

Members Meeting Update:

Where are we going?

Last year we shared our 3 new values which we have been beginning to unpack over the last 12 months.

As we think about how we move forwards and outwork those values for the next few years we feel led to 4 key areas of focus...

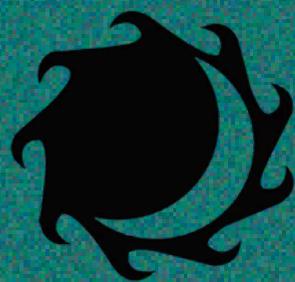

1. **Build a culture of prayer** contending for God's Spirit to move in Liverpool and the nations.
2. **Develop discipleship** - diverse Life Groups, pointing people to Jesus and releasing them into God's purposes.
3. **Make space at the table** - sharing faith, new services and planting church in new places.
4. **Develop Wavertree into a resourcing centre** - raising leaders, supporting new churches and projects.

Be part of the adventure

- **Pray.** Prayer underpins everything, we only want to go where God is leading and in His strength. Please pray for our church leaders and all of us as we look to build these 4 areas.
- **Give.** Hebe shared that finances are stable but at the moment we have the budget to maintain, but we are seeking God to provide the money for this vision of growth. Our faith target is to increase our income by £50k a year. Please join us in prayer and see what God is saying about your giving.
- **Serve.** This church body is amazing and nothing could happen without volunteers who know God's purposes for them and want to play their part. If you want to get more involved, please get in touch.

Exploring joining a network

24-7 PRAYER
PRAYER, MISSION AND JUSTICE

We've been seeking God about a connection to a wider church body and have been drawn to the **24-7 Communities Network**.

Joining a network would give us oversight, support and connection with the wider church nationally and internationally.

This is a slow exploration, we need to discern if it is a good fit for us, and they likewise need to get to know us and discern if they feel it's right for us to join.

Please join us in praying about this and come along to hear Alain Emerson, the leader of the 24-7 Communities Network, on Saturday 21st March at our Conference.
