## MESSAGE TO CONVERSATION GUIDE

At The Movies | Jurassic Park

---

1. What do you love or not love about Jurassic Park. Also, if you were a dinosaur, what kind of dinosaur would you be (don't roll your eyes...just have fun with this for a second)?
2. In Jurassic Park, everything starts to fall apart when a Computer Programmer named Dennis hides dinosaur embryos in a shaving cream can...next thing you know chaos ensues & dinosaurs are destroying everything. What sort of things do we hide in our hearts that lead to chaos in our lives?
3. In our culture, we're really good at focusing on the external. Read Matthew 15:17-20 & discuss what Jesus had to say about our *heart* and how it leaks out into our lives.
4. In this message, we talked about 3 monsters in our hearts & 3 ways to tame them. The first was to *tame guilt with confession*. Read James 5:16 & discuss how confessing to each other changes our behavior. Have you ever experienced this?
5. The second monster we talked about was to *tame anger with forgiveness*. Joel challenged us to pray everyday for that person you need to forgive. If you choose to accept this challenge, what do you think would happen? Read Ephesians 4:31-32.
6. The third monster we talked about was to *tame jealousy with celebration*. Read James 4:1-3. In this message we learned that *at it's core, when we're jealous, we're basically saying, 'God, why did you bless them & not me?'* Does this give you a different perspective on jealousy?
7. As we closed this message, we were challenged to look for & celebrate something in someone else's life everyday this week. If you do this, what do you think will begin to happen to your jealousy?
8. Are there some monsters hidden in your heart that are leaking out into your life? If so, did this conversation help you with some tools to tame them?

We're always looking for Bay Shore Group Leaders to use the 'Message To Conversation Guide' to facilitate a conversation about the message. Interested in going through our Group Leaders training? Let us know!
