2. In this message, we said that *our purpose is to help people find the same awesome you found when you found Jesus*. If you're a Jesus Follower, who shared Jesus with you or invited you to church? What happened?
3. Read 2 Corinthians 5:17-18a. From these verses, why would Joel describe finding Jesus as finding the awesome? What do you find awesome about what Jesus has done in your life?
4. A tag line in this message was *you were rescued to be a rescuer*. What does this mean to you?
5. Read 2 Corinthians 5:18b-20. What two words does the author Paul describe Jesus Followers? Did you know God chooses to make His appeal to others through us?
6. How can you be *Christ's Ambassadors* & share the same awesome you've found in Jesus...with other people (hint : it can be spiritual but it can also be practical).
7. In this message, Joel said, *at Bay Shore, we're focused on sharing Jesus with people and celebrating every time He changes lives*. How have you experienced this at Bay Shore? Why is that important to focus on?
8. Joel shared several invite stories that eventually led to people accepting Jesus and being baptized. How do those stories impact & motivate you?
9. In this message, we ended by talking about Desmond Doss, the World War 2 hero at Hacksaw Ridge who saved 75 people & after each person he rescued he prayed, *just one more Lord, give me one more*. How can we apply this to the rescue mission all Jesus Followers are on?
10. At the end of this message, we were challenged to *Pray for one at one*. Are you willing to do this & maybe even set a reminder up right now?
