

MESSAGE TO CONVERSATION GUIDE

Where's The Party? | Week 2 | Do Miracles Still Happen?

1. Joel opened up this message by talking about *back in the day* memories. We talked about *riding in the back of trucks*, *TV shows coming on at a certain time*, & *answering machines*. What do you remember about any of those things?
2. After the opening story about *back in the day*, Joel shared a question he was asked recently which was, *why doesn't Jesus do miracles today like He used to back in the day?* What's your 1st reaction/response to that question?
3. To tackle the question we covered in question #2, we looked at Jesus' 1st miracle. Read John 4:43-44 & discuss this quote from Sunday, *sometimes we're so familiar with something that we don't see it anymore* (regarding Jesus not receiving honor in His hometown). How can this same thing happen with miracles so we don't see them?
4. Read John 4:46-47. What was the problem and where did the government official take his problem? What's the lesson in that for us?
5. The government official took *his problem* to Jesus...*that's good*. But he also took *his plan* for how Jesus should fix it to Him as well. How do we do the same thing?
6. Read John 4:48. Have you ever asked for a miracle and didn't get it? Discuss this line from the message, *Jesus loves us enough to sometimes tell us 'no'*.
7. What's an example of a miracle that God's done in your life that's different then the miracle you were expecting?
8. Read John 4:49. What term did the government official use to address Jesus & why is that important?
9. Read John 4:50-53. What are the *two miracles* that take place at the end of the story?
10. What was your biggest takeaway from this message and conversation?
