MESSAGE TO CONVERSATION GUIDE

Week 1 | Time Flies

1. Did you make a resolutions list this year? Why or why not? What's one goal you have for 2019?
2. In this message, we started out by talking about how *time flies*. As you look back over your life & the different seasons you've gone through, would you agree that the older you get, the faster time flies? Why do you think this?
3. During our life, we get in this mode where, life is so busy & we're just trying to survive, & we can let important moments and things slip by. What are some examples of this?
4. Read Psalm 90:12. The author seems to be saying to *live with an awareness that life isn't forever*. How can living knowing that life is limited be a resource to how we live?
5. Read Psalm 90:1-2. Talk about the things in our life that doesn't last. Next, Joel used these verses to say that, *when it comes to writing our bucket list, we need to remember that the things we do for God & in our relationship with God...that's what lasts & is important*. Why is that important?
6. Read Psalm 90:10. Joel said, *if you let death motivate you, it can help you get the most out of life*. With that in mind, share one of two things that you'd like to do before you die (we know, that sounds morbid but let it motivate you)?
7. Everyone got a *Bucket List* card during this message & Joel asked us to pray it through & write some things down. Did you do it? If not, did you know that research shows when you write down your goals, you have a 42% chance of reaching your it?
8. How did this message impact you & what do you hope happens in your life because of it?

We're always looking for Bay Shore Group Leaders to use the 'Message To Conversation Guide' to facilitate a conversation about the message. Interested in starting a group? Let us know on the 'Connection Card' & we'll be in touch!
