MESSAGE TO CONVERSATION GUIDE

Week 4 | Who's The Boss?

1. What's one thing that you think you can never get enough of and why?
2. In this message, we started out by talking about how there's a gravitational pull for *more* in our life. Do you find this to be true & how does this relate to money?
3. How does the mindset of, *will there be enough?*, impact how much we worry & how much we try to control things that are outside of our control?
4. Read Luke 12:21-23. Jesus' audience would have constantly worried about *will there be enough?* because this was a hand-to-mouth culture. What was Jesus' advice to them & how does that apply to us today?
5. Discuss the following quote from this message, *worry always ruins today & never helps tomorrow.*
6. When something feels out of our control, we start to worry. In this message, Joel said, *in those moments, we can choose faith or fear.* How does your faith help you loosen your grip on your fear?
7. Read Luke 12:24. Joel talked about his dog Eli to illustrate Jesus' point with the birds. How do most pet owners take care of their pets? Do their pets worry where they're going to sleep or what they're going to eat? How does this illustrate how much more God takes care of us?
8. In this message, Joel said, *worry is a down payment on a problem you may never have.* What are some personal examples of this from your life?
9. Read Luke 12:25-26 and answer Jesus' two questions.
10. Read Luke 12:29-32 and focus on the last verse...what emotion does it bring God to provide for you? How does this give you peace?
