#### **Discussion Questions:**

1. Talk about the story of Abraham, or any of your other favorite Bible characters. How were they good and faithful? How were they broken and sinful?
2. Read the story of David's adultery with Bathsheba in 2 Samuel 11 and Psalm 51 and talk together about David's life. What stands out to you?
3. How does it make you feel to consider sharing your story in the way that Pastor Chase talked about on Sunday?
4. Pastor Chase talked about Kintsugi art, and how it can be a symbol of the way that God is writing His Story in our lives as he puts our broken pieces together to make something beautiful. Do you believe that God would do that for you?
5. Where do you see God's goodness in your life and how He made you?
6. If you are comfortable sharing, where do you see broken pieces, sin, and pain in your life?
7. Considering the good and the bad in your life, where do you see God writing His story of redemption, love, and grace in your life?
