MESSAGE TO CONVERSATION GUIDE

Week 3 | Live Fully Awake

- 1. Give us a few answers to this question...before I die, I want to _____?
- 2. In this message, we talked about *sleeping through life*. Talk about your relationship with the alarm clock. Do you wake up right away? Do you hit snooze?
- 3. Sometimes in life, we can just go through the motions at work, in our families, & even spiritually & sort of get sleepy in those areas of our life. The believers in Ephesus were falling asleep spiritually. Read & talk about Ephesians 5:14.
- 4. In this message we talked about ways to *Wake Up To God*, & sometimes we can get disconnected from the reality of what God's done in our life. Share a few things God's done in your life that can remind you to wake up spiritually.
- 5. Read Ephesians 2:10. You're God's masterpiece. Do you normally talk to you as if you really are God's masterpiece? How can remembering *I'm created by God to do good things* jolt you awake spiritually?
- 6. Read Luke 6:45. In this message we learned, what you're exposed to, leaks out of you. Give some examples of this. How can habits of Bible reading, prayer, attending church, etc. change you & others you interact with?
- 7. Imagine you were careful with what you exposed yourself to & you reprogrammed the words you say to you to line up with God's words. How could this *wake you up spiritually*?
- 8. Read Ephesians 5:15-17. We put a lot of great things on our bucket list...places we want to go, people we want to meet, things we want to do. Those are great things. However, what are some additional ideas of things you can add to your bucket list where you look for opportunities to live out your faith. Be specific.
- 9. How did this series impact you?
