

## **MESSAGE TO CONVERSATION GUIDE**

At The Movies | Indiana Jones

- 1. When you think of Indiana Jones, what types of things come to mind? Also, do you have a favorite movie within the Indiana Jones series?
- 2. Indiana Jones is a archeologist whose life is full of adventure. On a scale of 1-10, how adventurous would you say you are & why (1 being you've eaten the same sandwich everyday for your entire life; 10 being you're Skyping into group right now while skydiving)?
- 3. In this message, the big idea was *adventure begins when you activate your faith*. Read Hebrews 11:1 and describe what faith is & how it plays into life's big adventures.
- 4. In life, there are *planners* and there are *wingers*. Read Hebrews 11:8. Did Abraham know where he was going? How could he have confidence & assurance without knowing all of the travel details?
- 5. In this message, Joel said *you don't need to know all the travel details when you're following the one who does!* Can you remember a time when you took a step of faith & didn't know what was going to happen? What was the outcome & did it make you feel adventurous?
- 6. Sometimes life can be so routine & predictable that we can get in a funk. What are some ways you can activate your faith in your everyday routine to give you a sense of adventure again?
- 7. Joel ended this message by asking us, *what do you need to do today to activate your faith & start the adventure?* You can come at this from a practical or spiritual standpoint (or both). Would you be willing to share your answer with the group?
