

A Prayer of David

Psalm 17

1. Plead with God

Does pleading with God change the way God acts?

What does it mean that God is immutable? Impassible?

2. Be a Person of Integrity

Why does the righteous person have great power in the working of their prayers?

Does God answer the prayers of the unrighteous?

3. Hope in God—He Answers Prayer

Who are the 'men whose portion is this life?'

What is David's confidence or hope?
