

2. Infestation

Jude 3-4

Common Salvation

Was there one true church or many Christianities in the early church?

How was there one church if churches sprang up in many different places?

Ungodly People

What was the problem with Nicolaitan Christians?

Why does Paul list specific qualifications for elders?

Why does Nicolas think sexual immorality is acceptable for the Christian?

Sensuality as Demonic Teaching

How are the angels who sinned like the saints who claim the name of Christ, but promote immorality?

Why would someone profess Christ, but endorse a life of immorality?

Self-Ruled People

What does it mean to be self-ruled?

What happened to Eve when she chose self-rule?

Why is it so important that our faith today is the same as that of the ancient Christians?
