

4. Share about a time when prayer changed you rather than the circumstances. What did you learn?

7. Read Psalm 63. Like most of Hannah's prayer, this psalm of David cries out to God for himself rather than trying to get something from him. Describe a healthy balance between prayer that adores God and prayer that presents our needs.

5. What are some insights in Hannah's prayer (1 Samuel 2:1-10) regarding God's favor on people who are humble versus those who are proud?

6. Compare Hannah's prayer with Mary's song in Luke 1:46-55.
