Growth Group Questions

 What is your definition of humility? After people in the group share their definitions see what commonalities and differences you all have with your definitions and discuss.

2. 1 Peter 5:1-5 talks about leadership and the motivations of leaders. Think about the different areas of your life where you may be leading and evaluate what motivates you to lead in that capacity. If comfortable, share with the group.

3. What cultural values do you see in our society in regards to youth and elders? How do the cultural values of our society affect the way we view the opposite generation? What changes do you see that could be made and how can you begin to move in that direction?

4. In verse 5 it says "God is opposed to the proud, but He gives grace to the humble." What does it mean for God to "oppose the proud"? Why is humility so important to God?

5. As we have seen throughout 1 Peter there is a benefit to submitting to authority. What benefits do you see in your life from submitting to authority? Is there a relationship between humility and being under authority?
