2. Read Esther 2 aloud

3. For you personally, what was the most important lesson from this chapter?

5. Read Psalm 139:7-12. God promises that He will always be with us through every circumstance in life. Can you think of a time when God used your hard circumstances and turned them into something beautiful?

6. The title of the message last Sunday was "Don't miss your Esther moment!". What does this mean to you? Have you run from an Esther moment you were called to in the past? Or how are you living in your Esther moment now?

7. Close your time together by praying for each other.
