**Growth Group Discussion  
For the week of November 14, 2021**

1. Share an insight you learned from Sunday's message or Romans 12:9-21.

2. This week's verses are a beautiful picture of what Christian love is, similar to the Sermon on the Mount in Matthew 5-7. What stands out to you, and what is your biggest challenge?

3. Clearly, there is a cost to love, which is why we are expected to be “living sacrifices” (Romans 12:1). Give some examples of that cost.

can we separate the evil from the evildoer in our minds and responses? How successful have you been at doing this?

4. For Paul, like Jesus, love is outward focused and action oriented. What is the practical meaning of biblical hospitality (Romans 12:13), especially toward strangers?

6. How does finding our worth in Christ enable us to freely associate with all kinds of people (verse 16)?

5. It has been said that to repay evil with evil is to lose the battle (see verses 17-21). Discuss this thought. How

**After this week, Growth Groups will be taking a holiday break. See you next year!**
