Dispensational Theology is a System of Theology

Traditional-normative dispensational theology is a system that embodies three essential, fundamental concepts called the **sine qua non** (lit. “without which is not”):

1. The **consistent** use of a plain, normal, literal, grammatical-historical method of interpretation;
2. Which reveals that the **Church is distinct from Israel**;
3. God’s overall purpose is to bring **glory to Himself** (Eph. 1:6, 12, 14).

Doxological Purpose

- A. God's ultimate purpose for the ages is to glorify Himself. Scripture is not human-centered, as though salvation were the principle point, but God-centered, because His glory is at the center.
- B. The glory of God is the primary principle that unifies all dispensations, the program of salvation being just one of the means by which God glorifies Himself. Each successive revelation of God's plan for the ages, as well as His dealing with the elect, non-elect, angels, and nations all manifest His glory.

THE FOCUS ON THE GLORY OF GOD IN DISPENSATIONALISM
