Ezekiel 38:8

"After many days you will be summoned; in **the latter years** you will come into the land that is restored from the sword, whose inhabitants have been gathered from many nations to the mountains of Israel which had been a continual waste; but its people were brought out from the nations, and they are living securely, all of them."

"Selected Expert Perspectives on Ezekiel 38–39 Related to Current World Events with Resulting Influence on Ministry Practices" (D. Min. diss., Dallas Theological Seminary, 2012), 257.

"**Psalm 83 is kind of like Psalm 2**, it is just saying that (there is similar language — why did the nations rage against Israel in Psalm 83) look there are people who are always against Israel. Israel is always going to have these enemies, they are always going to be against them and God is going to deal with them someday. **We don't see a separate Psalm 2 war**."
