

Double Dog Dare, week 2

PRIME THE PUMP

Matthew 15:21-28; Luke 18:1-8; Genesis 31:38-42

God uses goals to help change our lives. Goals are statements of faith saying, "This is what I believe God is going to do in my life." But goals are rarely achieved overnight.

"These things I plan won't happen right away. Slowly, steadily, surely, the time approaches when the vision will be fulfilled. If it seems slow, do not despair, for these things will sure come to pass. Just be patient! They will not be overdue a single day!" Habakkuk 2:3 (LB)

To reach God-honoring goals you have to:

PUSH your "self"

Prime the PUMP—Focusing on God-honoring goals every day is how we grow our character.

*"If you are going to really reach your goals in life, sometimes you have to delay gratification. You have to do the tough thing instead of the fun thing."
Rick Warren*
