## MY STORY

1. We are not much different from the lame beggar. Though our experiences may not include miraculous physical healing, we all were in a state of desperate need prior to being saved by Jesus. If you have a story of healing (physical or otherwise), share it and celebrate with the group.

## DEEPER

### Read Acts 3:1-10

2. What specifically did the lame man ask for?
3. What active words catch your attention in this passage? Take time to write them down
4. Through what name did they heal the lame man? Why is this significant?

### Read John 5:1-5

5. People seem to not know who Jesus is or are not excited that He is there even though many of them were there waiting to be healed. Do you sometimes feel like you're in this position?

### Read James 5:13-16

6. What do these verses say about:
  - (a) our role in the church toward those who are suffering?
  - (b) how the Lord responds?

## APPLICATION

7. God used Peter and John to heal the lame man. Peter showed both great boldness and genuine care in how he approached the man (Acts 3:4) You too can be an agent of grace and healing in the lives of others. Who is God calling you to love boldly?
