“Taking the Word of God with Clarity into Every Person’s World!”

September 2021

All of us at *Make It Clear Ministries* are grateful to the Lord for you! Your prayers for us and the support of our ministries in the US and around the world are greatly appreciated. It is through your faithful and generous help the ministries of *Make It Clear* continue to grow and reach more people every day with the clarity of God’s Word.

This month we bring you The Word for You Today devotional for those who have requested it and some personal news. This is a time for us to share more personal needs. In this case, health needs. A few of our staff and family are working through testing positive for Covid-19. Jon and Peggy Sperling have been off their feet for most of two weeks with the virus and therefore are not up to writing our regular newsletter. These are among others who are on the mend but are looking forward to this being behind them.

We are also aware of others who have family and friends who struggle with Covid-19. As many as we hear who they are, we pray specifically for them. But we also pray for all who are in some stage of this pandemic and personal recovery.

In addition, we are a global ministry with a passion for Christ and making sure the gospel continues to go worldwide with accuracy and clarity. This brings us to all those in Afghanistan and beyond during this time of turmoil. While those dear people experienced more freedom in recent years, the gospel was explained and taught to others by Christians in-country. This means those struggling with great oppression, persecution, and death are not without an army of Christians who are there serving the Lord and living out the Great Commandment and the Great Commission. Please set aside time every day to pray for the *persecuted Church* in Afghanistan and worldwide.

Finally, Stan and Carol are on the home stretch of their summer road trip. While Stan is preaching the last two Sundays in San Antonio, they are connecting with family and friends of Make It Clear Ministries. Stan and Carol will spend time with their other sons, Joe and Greg, and daughter-in-law, Patsy, before heading to a mini-FBC Reunion in Mobile, AL, on September 4 and preach at Forest Park Bible Church there on September 5. Please get in touch with Stan and Carol for more information or visit our website. We look forward to sharing exciting news and stories with you in about a month in our October newsletter. Thank you for your prayers and patience this month!
