

EP 22 — FUND THE VISION

Resources for the Assignment Episode 22 — Prophetic Prayer & Declaration · Chris & Prudence Ministries

OPENING

Let me clear something up before we pray.

This isn't a prayer for comfort. It's a prayer for capacity.

There's a difference between wanting money for an upgrade and needing resources for an assignment. God isn't shy about the second one. When He gives a vision, He attaches a supply line to it. He has never once called someone to build something and then refused to fund it.

But here's where it gets tangled. Most of us are asking for provision for our comfort, then wondering why heaven seems quiet. Provision in the Kingdom follows purpose. The money chases the mission, not the other way around.

You don't need resources so you can finally relax. You need them so you can finally deploy. The vision God gave you has a price tag, and He already knows the number.

Today, we don't beg. We position. We ask the God who owns the cattle on a thousand hills to fund what He authored.

Let's go to the Father.

-

PROPHETIC PRAYER

1. Worship

Father, hallowed is Your name.

You are the God who owns it all. Every hill. Every herd. Every vein of silver and gold in the earth. You lack nothing and You withhold no good thing.

We worship You as Jehovah Jireh. The God who sees ahead and provides ahead. The One who had the ram in the thicket before Abraham ever climbed the mountain.

Holy is Your name over our resources. Holy is Your name over the assignment. Holy is Your name, the God who funds what He calls.

-

2. Submission

Your Kingdom come. Your will be done. On earth as it is in heaven.

Father, in heaven there is no lack. No shortfall. No vision sitting unfunded on a shelf.

So we submit the vision and the budget both. We hand You the assignment You gave us and the supply it requires. We confess it was never ours to fund in our own strength.

Your Kingdom come into our finances. Your will be done in our provision. We position ourselves as stewards, not owners, and we ask You to fund Your own work through our hands.

-

3. Petition

Give us this day our daily bread.

Father, today we ask for provision with purpose.

Fund the vision. Release the resources the assignment requires. The capital, the open doors, the unexpected supply, the people who carry what we don't.

Give us not just enough to survive but enough to deploy. Enough to obey. Enough to finish what You started in us.

Daily bread for the work. And the faith to steward well whatever You send.

-

4. Confession and Forgiveness

Forgive us, Father.

For asking for comfort and calling it vision. For wanting the provision without the purpose. For the times we let fear of money shrink the assignment You gave us.

We confess we've mishandled what You've already provided. We've been faithful with little in some places and careless in others. Correct us.

Cleanse us. Align our hearts with Your economy.

And as You forgive us, we forgive every voice that told us money was unspiritual or that the Kingdom should always be broke. We release the poverty mindset. We're done with it.

-

5. Protection

Lead us not into temptation. Deliver us from the evil one.

Father, the temptation around resources is real. The love of money. The fear of lack. The compromise that comes when the funding gets tight.

Deliver us from the spirit of lack that shrinks our obedience. Deliver us from greed that would make provision an idol. Deliver us from the shortcut that funds the vision the wrong way.

Protect the supply line. Guard the heart that handles it. Let the money serve the mission and never master us.

-

DECLARATION

I declare over you today.

The vision is being funded. The supply line is opening. What God authored, God is about to finance.

I declare provision with purpose is being released. Resources for deployment. Capital for the call. Open doors you didn't earn and didn't expect.

I declare the assignment will not die on the shelf for lack of funds. Heaven is moving on the budget of what God already spoke.

I declare you are a steward heaven can trust. The increase is coming because the heart is ready.

I declare Philippians 4:19 over you. My God will supply all your needs according to His riches in glory in Christ Jesus.

The vision is funded. Now build it.

SEALING PRAYER

Father, we seal this.

Every vision funded. Every supply line opened. Every resource released for the assignment. Sealed in the name of Jesus.

What heaven has authored, heaven will finance.

Purpose over comfort. Provision over lack. Stewardship over ownership.

It is finished. It is sealed. It is so.

In the mighty name of Jesus.

Amen.
