

EP 26 — DOORS OPENING:

Opportunities, Contracts, Connections Episode 26 — Prophetic Prayer & Declaration
· Chris & Prudence Ministries

OPENING

Not all provision comes as a check.

Sometimes it comes as a door.

We get so focused on the deposit that we miss the appointment. But heaven's supply line is often relational, not just financial. The contract you did not chase. The connection you did not engineer. The conversation that changed everything, that you almost skipped. God moves provision through open doors, and He opens doors no one else can open.

Here is the thing about a God-opened door. You cannot force it, and no one can shut it. Man cannot close what heaven opens. And heaven will not open what your striving manufactured.

Some of you have been pounding on doors that were never yours. Meanwhile, the right door has been standing open, and you have been too tired from pushing on the wrong one to walk through it.

Today, we ask the God who holds the keys to open the right doors.

Let's go to the Father.

PROPHETIC PRAYER

1. Worship

Father, hallowed is Your name.

You are the God who holds the keys. What You open, no one shuts. What You shut, no one opens. Every door in the earth answers to Your hand.

We worship You as the God of divine appointments. The One who set Joseph before Pharaoh, Esther before the king, Daniel before nations. You have always known how to open the right room at the right time.

Holy is Your name over every door. Holy is Your name over the appointments ahead. Holy is Your name, the God who holds the keys.

2. Submission

Your Kingdom come. Your will be done. On earth as it is in heaven.

Father, in heaven every door serves Your purpose. There is no striving, no forcing, no wrong room.

So we submit the doors we have been forcing. We hand You the ones we manufactured, the ones we chased in our own strength. We ask You to close what is not Yours and open what is.

Your Kingdom come through the right doors. Your will be done in the appointments You have set. Lead us to the rooms You prepared.

-

3. Petition

Give us this day our daily bread.

Father, today we ask for open doors. Opportunities, contracts, connections, appointments You have already scheduled.

Open the right doors and give us the courage to walk through them. Close the wrong doors and give us the peace to walk away. Bring the divine connections, the people who carry what we need and need what we carry.

Give us daily bread and the discernment to know Your door from a good idea.

-

4. Confession and Forgiveness

Forgive us, Father.

For forcing doors You never opened. For striving where we should have waited. For chasing connections instead of trusting You to bring them.

We confess the exhaustion of pushing on the wrong doors. The fear that made us grab at any opportunity. The impatience that would not wait for Yours.

Cleanse us. Reset our discernment.

And as You forgive us, we forgive every door that closed on us. Every rejection, every no, every opportunity that fell through. We release it and trust that You were closing what would have cost us.

-

5. Protection

Lead us not into temptation. Deliver us from the evil one.

Father, the temptation is to force a door out of fear, or to walk through a door You did not open out of desperation.

Deliver us from the striving that manufactures counterfeit doors. From the impatience that pushes past Your no. From the desperation that says any door is better than a closed one.

Guard the appointments. Protect the connections. Let no wrong door in, and let no right door close before its time.

DECLARATION

I declare over you today.

The right doors are opening. What God opens, no one can shut. What He shut, He shut to protect you.

I declare divine appointments are being set. The contracts, the connections, the conversations that change everything. They are coming, and they are Yours.

I declare you will stop pounding on doors that were never yours. The striving ends. The right room is already prepared.

I declare the people who carry what you need are being drawn to you, and you to them. The connections are being made.

I declare Revelation 3:8 over you. See, I have placed before you an open door that no one can shut.

The doors are opening. Walk through.

SEALING PRAYER

Father, we seal this.

Every right door opened. Every wrong door closed. Every divine appointment protected. Sealed in the name of Jesus.

What heaven has opened, no power on earth can shut.

Open doors over forced doors. Appointments over striving. Your keys over our knocking.

It is finished. It is sealed. It is so.

In the mighty name of Jesus.

Amen.
