

FAITH IN FIVE

WEEK I

QUICK REVIEW

After watching that recap video, and looking back at your notes from this week's message, was there anything that you heard that caught your attention, challenged you, or confused you?

MY STORY

1. There can be a lot of different thoughts when we say "Surrender to God". What is the first thing that came to your mind when Pastor Greg said, "We need to live a surrendered life"?
2. This week we talked about how the greatest human experience is found in biblical obedience. Why do you think that statement is true? Why is it easier said than done?

DIGGING DEEPER

1. The Bible talks a lot about sacrifices in the Old Testament, and it often referred to the death of an animal for the payment of sin. We know that in the New Testament, Jesus was the ultimate sacrifice for our sin. Read Romans 12:1. What does it mean when it says to present our bodies as a living sacrifice?
2. What does Proverbs 3:5-8 teach us about why we should sacrifice our lives to God's plans?
 - *"Trust in the Lord with all your heart, and do not lean on your own understanding. In all your ways acknowledge him, and he will make straight your paths. Be not wise in your own eyes; fear the Lord, and turn away from evil. It will be healing to your flesh and refreshment to your bones."* - Proverbs 3:5-6
3. The Bible lets us know constantly that if you want a faith that is alive, you need to have a faith that is active. Read Colossians 3:23 and James 2:17, and point out why we can't separate belief and behavior.
 - *"Whatever you do, work at it with all your heart, as working for the Lord, not for human masters."* - Colossians 3:23
 - *"In the same way, faith by itself, if it is not accompanied by action, is dead!"* - James 2:17
4. Surrendering to God will require us to be okay with looking different from the rest of the world. Why is that so, and why should we embrace being different?

TAKING IT HOME

Is there one thing we talked about in your life that you will surrender to God? How will you do that?
