

FAITH IN FIVE

WEEK 3

QUICK REVIEW

After watching that recap video, and looking back at your notes from this week's message, was there anything that you heard that caught your attention, challenged you, or confused you?

MY STORY

1. Why is it important every now and then, to sit back and take inventory of your story?
2. What we believe will often equate to how we behave. Why is what we think about ourselves important to get right and accurate?

DIGGING DEEPER

1. Read 2 Timothy 1:9 and 1 Corinthians 15:10. What do these verses tell us about our identity in Jesus? How and why does this new identity produce humility and sober judgment?
2. "What I do is between me and God." That is a very common statement and a very American statement, but it is also a very unbiblical statement. Why? What does 1 Corinthians 12:12-14 say about this thought?
3. Our salvation gives us a new identity, but new responsibilities as well. What does 1 Peter 4:10-11 and 1 Corinthians 12:4-7 say about our responsibilities to the church?
4. Why do you think people are okay with being just attenders of the church instead of givers, servers, and leaders? What is the hurdle they, or maybe even you, struggle with? What would the benefits be, personally and corporately, if everyone that attends our church served and gave to our church?

TAKING IT HOME

What is one way you can daily remind yourself of who you are in Jesus? What area would you like to step in and serve in the local church that you just haven't yet? (*Leader note: For those who answer, be sure to note and follow up.*)
