What is the Bible?

We believe the sixty-six books of the Old and New Testaments to be the full record of God's self-disclosure to mankind. Different men, while writing according to their own styles and personalities, were supernaturally moved along by the Holy Spirit to record God's very words, inerrant in the original writings. Therefore, those applying themselves to study its literal, historical-grammatical context can accurately understand God's Word. Scripture is fully trustworthy as our final and sufficient authority for all of life
