### 1ST SERVICE

**THREE TYPES OF PEOPLE IN MALAYSIA.**

**ISAIAH 1: 21-23 TELLS US THE SITUATION IN OUR LAND.**

1. Those who are in exile: left for Babylon "migrated"
2. Those who are left behind who have an exile mindset. They stop watering their land. They want to leave the land: "grass greener on other side". They intend to leave.
3. Those who are in freedom: they stay n rebuild. After rebuilding temple they longed for something more: Ezra 3:10-13. They long for God to heal the land again and rebuild it for His glory! That's "freedom" for every Malaysian.

**CGQ:** What mindset about Malaysia are you struggling with? How are you leading yourself n others regarding our nation of Malaysia? Is it to stay n build this nation or to migrate n leave it to decline? What is God saying to you? How can you n your children rebuild this land?
