# CELL DISCUSSION QUESTIONS

---

2ND DECEMBER 2016

We should celebrate our lives and have a posture of gratitude. This posture can enable us to displace negative attitudes. Read Psalms 103:1-2  
Colossians 1: 15-17

As the speaker spoke about how God has blessed and worked in his life, he repeatedly mentioned  
God is good  
God is great  
God is God

Listening to testimonies of Christ's faithfulness and greatness is one of the most uplifting privileges as believers.

**CGQ:**

- a. Share some snapshots or testimonies of how God has been good to you? The more recent, the better. Keep it short and simple so that others can also share. Some of the difficulties in life are meant to be opportunities for us to grow deeper with the Lord.
- b. Share another snapshot of your life of how God has encouraged you through a difficult challenge and how God revealed himself as God who is all sovereign.
- c. Apart from reminding yourself of how faithful God has been in your life, You can also use these snapshots to reach out to others who desperately need to hear God's news in this Christmas season. Aim to share the good news this week with at least 1 person. Use your snapshots if necessary.
