Matthew 5:13-16

- God calls us to be salt and light in the soil of our nation.
Quote: "For unless we salt the soil, the soil will soil us!"
- We must light up our "hill" which is our family, our workplace, our friends and our nation. We light up through God putting us on the "lamp stand" at our work and also through our church.
- We are the salt and the light which is our foundation of our nation. The nation is as bright as the light that is in the Christians.
- Where does it begin? In our families. One way is to Let each weekday evening be a holy hour, or harvest hour with your family. No hand phones or iPads or TV to distract. Suggest: 7-9 pm time for family altar and you will sow into your children's heart, brain and spirit!

- Luke 19:41 Jesus drew near, saw and wept over the city. To cover our city and nation; we must draw near (love) see (the injustices and sins) and cry out to God to redeem our land! Not pray in anger but out of love and covering her sins and by taking authority over our land.

CGQ

What is the best way of redeeming our nation? By being salt and light. By shining our light! By breaking barriers and opening doors! Share how we can break barriers and open doors for our nation to be healed and blessed.

Have we learned to weep for our city and nation?

Have we learned to see as God sees?

Have we learned to cry out to God?

Pray together for our land that redemption and healing will take place.
