

CELL DISCUSSION QUESTIONS

11TH MARCH 2016

READ STORY OF THE LOST SONS IN LUKE 15.

1. Icebreaker (do not use the word "icebreaker"): Was your life in the past more like the first son or second son or somewhere in between? Share about yourself?
2. The Younger Son's story is the way of trying to find happiness n fulfillment through self discovery. Why do many seek this way? Why will be the end result?

3. The Elders brothers story is the way of moral uprightness n conformity. Why is this way insufficient and why will it always fall short of the Father's true standard? Why is it more dangerous than the state of the younger son? What is God speaking to you today about this state?
4. The true elder brother would have "paid the price" and gone after his younger brother. Jesus did that for us when we were still "lost". He has paid the price so you can receive the Fathers love free! Share what you learnt about Gods love for you in the response of the Father to the two sons? Pray for Gods grace and love to come into each other's lives in the cell. Pray for lives to be touched by Gods love this year.
