# CELL DISCUSSION QUESTIONS

9TH SEPTEMBER 2016

## **THE CALL OF DESTINY**

What a wonderful truth we have to hold on to as children of God – that He has a destiny for our lives and that He has called us to a wonderful purpose in our time here on earth!

**DO** | Take some time as a cell to read aloud and then meditate on Psalm 139, thanking God for His perfect knowledge of us and His omnipresence over our lives.

**SHARE** | Pick one verse that speaks to you the most and share with the cell why this verse encourages you.

## **THE COST OF DESTINY**

The cost of destiny is our continuous obedience in the same direction – God’s direction! To be able to continuously obey requires a deep sense of love and trust in the Lord, a willingness to die to self and a commitment to move forward as God leads.

**SHARE** | How has your journey of continuous obedience panned out so far? What are some challenges that you face? Share some practical handles on how to overcome these challenges.

## **THE BLESSING OF DESTINY**

There is tremendous blessing when we are prepared to pay the cost of destiny! God works in wonderful and wondrous ways in our lives when we walk in complete obedience to Him. In many ways the blessing of destiny is tied to the city or nation God has called us to be in. Jeremiah 29:7 “And work for the peace and prosperity of the city where I sent you into exile. Pray to the Lord for it, for its welfare will determine your welfare.” (NLT)

**PRAY** | Tonight, pray for KK, Sabah and Malaysia as a cell. Cry out to the Lord for our nation and seek God’s peace over our land. Believe that as we pray to the Lord, seeking Him for our land that it will prosper and it will be a dwelling of peace for all of us, and out of that we will reap the blessing of destiny.
