CELL DISCUSSION QUESTIONS

17TH JULY 2015

BRIEF SUMMARY :

Rev. Elisha spoke of the following:

- Sharing God's love starts with you, TODAY!
- It does not "pass by" the needs
- It starts with you – the unlikely person
- It starts where the people are; and
- It starts with seeing and being moved by the need.
- Compassion costs something!

*COMPASSION
COSTS
SOMETHING!*

QUESTIONS:

(Pick the question(s) that are suitable for your group)

1. Rev. Elisha shared that “sharing God’s love starts with you!” Share what common barrier(s) that stop us from taking the step to share God’s love? Share how you can overcome the barrier(s) that hold you back from sharing God’s love.
2. Share some practical ways on how you can share God’s love at the marketplace (your workplace, campus, school, community etc).
3. Remember even the smallest acts can show God’s love – no labour is common unless we make it so. Remind yourself to regularly look for these opportunities to share love. Sometimes it’s the simplest acts of kindness that have the most lasting effects and open the door for the Gospel.
4. Compassion costs something! Share some of the “costs” that you have paid in the past or may have to pay as you share God’s love to those in need.
5. Genuine compassion to share God’s love will alter our life priorities. If we are going to invest our time and energy in God’s work, we can’t continue to do some of the other things we have been doing. We’ll need to make new choices in light of new values.
6. “Christians today like to play it safe. We want to put ourselves in situations where we are safe ‘even if there is no God.’ But if we truly desire to please God, we cannot live that way. We have to do things that cost us during our life on earth but will be more than worth it in eternity.”
7. What are some ways we play it safe?

End with prayers.
