Dr Ken shared many stories. Which story do you like or relate to you the most?

Why do many christians not witness in the workplace?

Fear

Embarrassment

Disinterested

Poor conduct

Poor witness of the quality of work

Lack of understanding of our foundation.

Read John 4: 6 to 14

Jesus has compassion and competence.

He does not condemn the woman despite being married at least 5 times before.

What are the handles that can help us to witness in the workplace?

FAITH

Learn from people with faith

SENSITIVITY

Be sensitive to people and the Holy Spirit.

We should treat the person as a person. Not a project.

APPROACH

Be natural

Be enthusiastic to learn methods

Tell short stories and testimonies

Let the person talk

Use opening questions and then move to thinking questions such as

What is the real meaning of life?

What is more important than success?

Why do we intrinsically know what is right or wrong?

Is it God who has put a moral compass in us?

How do we apply what has been taught on Sunday?

Start praying and identify those who may need to hear the gospel in your workplace.

Start by praying because God must always be in the equation.

Be intentional to get to know them such as meeting for lunch.

Learn how to share the gospel effectively.

Short stories and answers. Make use of free workshops in the church

Faith Factor and Alpha Workplace

Offer to pray for them even if you do not have a solution. God is at work.

Pray for each other to have competence, courage and compassion to step out.
