

# CONNECT GROUP DISCUSSION QUESTIONS

# 9<sup>TH</sup>

## MAR 2018

### **READ | Eph 5:5-17**

WHAT IS EVANGELISM? It is sharing the Good News of Jesus Christ in the power of the Holy Spirit and trusting God for the results. We must share Christ because (1) It reflects the heart of God (John 3:16-17) and (2) If we don't then people are lost to a Christless eternity. Yet even though we understand this, many of us still struggle with evangelizing our family, friends let alone strangers.

### **ASK |**

(1) How do I view Evangelism? Is it a program, event or something best left to "experts"? Does my view change when confronted with the Biblical truth that Evangelism is the responsibility of every believer in Christ?

(2) Why do I find it so hard to share Christ to others? What are some fears I can identify and must overcome so that Evangelism can become more than a program, event or “expert only”-zone and instead become a daily habit and lifestyle?

Ps Daniel Ho shared 5 Steps we can practice in order to cultivate this lifestyle:

**FIRSTLY** Pray and be Empowered

**SECONDLY** Be Intentional and Take Initiative

**THIRDLY** Turn every Occasion into an Opportunity to share Jesus

**FOURTHLY** Offer the Challenge/Invitation to receive Jesus

**FIFTHLY** Ensure that Discipleship begins immediately

**As a Connect Group**, remember and be encouraged that everyone starts somewhere! So why not:

(1) **Pray for each other** to be empowered to share the Gospel.

(2) **Share testimonies** with each other to build faith and encourage one another to share the Gospel.

(3) **Keep each other accountable** by consistently sharing your own journey of cultivating a lifestyle of evangelism.

(4) **Make use of the Evangelism Digital Booklet** to help equip you on this journey of sharing Jesus this 2018.

(5) **Commit to evangelise** however many people you purposed to in last Sunday's service, and regularly share and update each other about your evangelism journey!
