## **The Romance of Redemption Phil 2:1-30**

1. The Gospel is not good advice it is GOOD NEWS". Every other religion is good advice. Therefore the gospel is NOT a manual but a MANIFESTO: That Christ has died, He is risen, n He has redeemed us n will come again. This is what made Paul, Timothy n Epaphroditus willing to sacrifice n even die for Jesus because they had been transformed by the reality of this manifesto! He is the creator of the universe n we are an infinitesimal speck n yet He longs for us to be in fellowship with Him! Experiencing this love again n again is what changes us . 1John 4:7-11.

**CGQ:**

- a. As we come to Christmas have you experienced God's love afresh again? This will enable you to forgive, recommit your lives afresh n to serve him unconditionally. it is like being in love again! Share your journey of how God found you. Martyn Lloyd Jones said: "The ultimate test of our spirituality is the degree of our amazement at the grace of God!". In order to see the depths of God's grace we need to see the depth of our depravity. Share your journey of salvation n conviction of sin n of God's love?
- b. Perhaps married couples among you might like to share the story of your love journey with your spouse? Do you remember the "chase"? The longing to be with the person? That is what the romance of God's love might remotely resemble. This is what He wants to rekindle in us this Christmas!
