## MAR 2019

God wants you very much to know His will. It's the best part for us.  
Two kinds of will for our lives - specific (personal) that comes from  
waiting on the Lord, general (for all)

Eph 5:17-21 be filled with the Holy Spirit (will of God for all of us)

1. Being filled is a continuous experience
  - Acts 19 - A dimension of walking in the Spirit after baptism, not about speaking in tongues
  - Acts 10 - Paul was again filled with the Spirit when encountering opposition
2. Being filled means being intoxicated/controlled by the Holy Spirit (our thinking, behaviour and actions change)
3. Being filled is a choice (unless you make the choice to create space for God to fill you, nothing can happen)
4. Being filled can be seen (Eph 5:19-21)

## **Signs of being filled**

1 - your speech changes especially to others, strengthening and refreshing; healing tongue that makes whole

2 - singing, songs of praise and worship from our heart to God

3 - giving thanks always, replacing complaints with gratitude

4 - submitting to one another in the fear of the Lord, "give in to others", listening to others, placing others interest above their own, experiencing the mind of Christ (unselfish)

## **Discussion Questions:**

Being filled with the Spirit means allowing the Spirit's to influence our thinking, behaviour and actions. How have you been led by the Spirit in the past? Share.

Being filled with the Spirit is a continuous choice as a Christian. What right choices can you make to go deeper in this area this year?

Being filled with the Spirit is accompanied with visible signs. Which of these have you seen in your own life?
