READ : Luke 10:38-42

1. What in the sermon convicted or encouraged you?
2. On a scale of 1 to 10 (1 = poor, 10 = excellent) how would you rate your current state of being able to hear and listen to our Lord?
3. There are times when listening is easy and times when it is hard. Share with one another a time when hearing God was easy. Why was it so?
4. Share about an instance when hearing God was difficult. What made it difficult? Were you able to overcome that challenge? What helped you overcome it?
5. Share with one another about what changes you can make in your life in order to cultivate a habit of listening while working or serving.

PRAY

Take some time to listen as you close tonight. What is God saying to you for your family, workplace and self? What is God saying for your Connect Group? Perhaps the Holy Spirit has dropped a word to encourage someone in your midst. Be bold to share and encourage one another tonight, as you listen to what God is saying.
