1. Ps Peter Tan-Chi started out by sharing that we need to pass on the one thing to the next generation, whether it's our children or our disciples. He then quoted from Ps 78:5-7. What is that one thing?

2. How is that relevant in turning disappointment into blessings?

Suggest that you discuss and explore with your members what trusting God means, e.g.

Trust His love

Trust His timetable

Trust His wisdom

Can use Prov 3:5-6 and Isa 55:8-9

3. Why is that important in discipleship, whether to our family or disciples?

4. Share a journey when you trust God and your disappointment was turned into blessings. This can also be from anyone in your CG.
