

CELL DISCUSSION QUESTIONS

14TH OCTOBER 2016

1. While most of us have not been demonized, Eph 2:1-3 tells us that we were all under Satan's bondage like this demoniac.
 - What is God speaking to you through this verse? What are you going to do about it?
2. The demoniac was healed and was found by the people to be "sitting, clothed and in his right mind".
 - What do you understand by the above contrast? Why were the people afraid?
3. Jesus asked the man to "go home to your friends, and tell them what great things the Lord has done for you, and how He has had compassion on you."
 - What obstacles or issues have you faced when you "go home" to tell your family the good news? Similarly, What progress/testimonies do you have in this aspect? Share with your cell group so that you can encourage and pray for each other.
