# CELL DISCUSSION QUESTIONS

---

10TH JUNE 2016

## **Ephesians 2:4-6**

1. **We are seated in heavenly places.** That's our position. It's been given to us by grace through faith. MC: the mind of a champion is in these verses. Had she known this in the past she would have six Wimbledon titles not three. We are winners in our workplace!
2. **Luke 9:1-2 That's us!** Not just the pastors. We are all called to preach the Kingdom of God and heal the sick in the workplace! Believe in your mind that God can use you! Mt 15:29 Jesus did it! So can we!

## **CGQ**

Margaret came from a background of a poor family. She trained with men in her tennis days so she eventually became accomplished on the women's tour. Her mind was the weakest part of her. It needed to be renewed. We need to train for miracles and evangelism in our workplace. It starts with our minds being renewed by the Word of God. God can use you!

How can we train together to be a cell that's effective in 1:1 evangelism? In walking in faith and in miracles in our workplace? How can our mind be renewed in this area? What must we say to each other? Share together and encourage each other in this area!  
Mark 11:22-25

### **3. Speaking Faith**

Heb 11:1-3; 2 Cor 4:10-13.

We have the same Spirit of Faith . Hence we must believe and speak what the Bible says. Then faith grows!

### **4. 2 Cor 4:17-18.**

Learn not to look only at things that are seen but the unseen! Then we can speak His word into every situation! Ps 107:20 Even healing! God spoke and the world came into being - Gen 1

## **CGQ**

Do you tend to have a negative mindset? Are your words usually more negative than positive? Do you speak man's negatives more than God's positives?
