Key Scripture: Col 1:24-25

Paul wants us to consider is God preeminent in your life or prominent? Preeminence means he has the chief place, first place in the life of a believer.

Four Defining Marks of Biblical Stewardship

1 - That is Joyously Profitable - "for your sake"

Principle: God calls us to serve him by serving others

2 - That is Wonderfully Participative - "I do my share"

Principle: God has specific assignments for specific individuals

3 - That is Gloriously Privileged - "I was made a minister"

Principle: God shapes and reinvents us for His calling (Going from being saved through Christ -> saved for Christ -> growing intimacy with Christ -> hidden in Christ)

4 - That is Compellingly Purposeful - "so that I might fully carry out"

Principle: God weans us from majoring on the minor so that we might major on the major

Reflection Questions:

What is God calling me to do in this season?

How is God shaping me for it?

What is the next step I must take towards that calling?
