ICE BREAKER

Who has been one speaker that has impacted your life this past year in Skyline? In what way has this person impacted your life? What have you decided to change in your life since you have been impacted?

Point of Icebreaker:

Often many people are “impacted” by a speaker but few change their lives to grow spiritually. That’s because many don’t know how to “receive” or “catch” an anointing from the man or woman of God.

Some things are “caught” rather than taught. The anointing is one of them. Read Numbers 11:25, Deuteronomy 34: 9.

First three principles refer to the Man/Woman of God.

- 1) Look to his spirit, not his appearance (1 Sam 16:7)
- 2) Know his gifts and draw from him/her (Mat 10:40-41)
- 3) Learn his principles not necessarily his methods (Acts 19:13-16)

CGQ

How can you train your spirit to see a speaker beyond his appearance to appreciate whether he/she carries faith, boldness for souls, for miracles, or the authority to cast out demons? What must consciously do as you listen to him/her speak?

Second three principles refer to you.

- 1) Serve and Associate with man of God. Elisha served and associated with Elijah many years and received twice the anointing (2 Kings 3:11 also 1 Ki 17- 2 Kings 13)
- 2) Pray before and after man of God comes (Acts 9:12 Saul received his ministry anointing because he prayed before Ananias came and so was ready to receive the man of God)
- 3) Make changes to your life (Elisha did after he received the mantle of anointing from Elijah - 1 Kings 19: 19-21)

CGQ

How can you learn to grow in serving, associating and “drawing” the anointing from God's servant when they come? Give some examples from your own experience if you have any? Pastor shared how he learned to do this in the early years of his ministry. What things can you follow?
