To complete God's mission in bringing the gospel to the world, we need to first hear from the Holy Spirit.

1. What were the believers doing when they received the revelation from the Holy Spirit in verse 1-5? We can learn from these few verses in order to hear from the Holy Spirit.

They were worshipping together.

The posture of the church was right.

They heard the Holy Spirit and they responded.

The more we respond and obey the Holy Spirit, the more we will hear from the Spirit.

2. Share an experience when you heard and obey the Holy Spirit to encourage the group.

Did you sense the joy and peace of God after you have responded to the Spirit of God?

3. What are the characteristics you have observed in Paul and Barnabas as they bring the gospel to the Gentiles?

They were filled with the Holy Spirit. As a result, they were brave. They did not give up despite of resistance and persecution. They worked together as a team.

We need each other. It is easier to finish the task when we work as a team.

God is in the business of redeeming the human race. He has called all believers to partner with Him.

You plus God is more than the majority. No matter how hard the going may get sometimes,

we must not lose heart,

we must not lose focus

we must not lose each other

Pray for each other to continue to trust God and be bold in bringing the gospel to pre-believers

If time permits and you are comfortable, share a testimony how you have led someone to the kingdom of God in the past. You can show the group how the gospel can be shared.
