Read:

1 John 5:1-5 & John 14:15

Share with each other your love languages or something interesting about how you give/receive love.

1 John 5:1. If someone were to ask you what it means "to be born of God" how would you explain this to them?

Do you agree that loving God leads us to obedience? Can you identify some possible concerns if our love for God does not lead us to obedience, or vice versa if our obedience is not done out of love?

1 John 5:3. Why do you think John exhorts us with this verse: “And His commands are not burdensome...”

Obedience can be expressed as a journey with 4 identifiable points: Option - Opportunity - Overflow - Overcome. Share with each other any instances in your life where you have found yourselves at any of these points and what you have learned/are learning in your own journey of obedience to the Lord.
