# YOUR PERFECT BODY AWAITS!

## CONNECT GROUP DISCUSSION

### 1. Resurrection means our future is PHYSICAL

- This is important because a) Jesus' resurrection is the cornerstone of our faith (1 Cor 15:13-17), b) Jesus was resurrected in a physical body (Lk 24:39), c) We will walk the new earth in our new physical bodies (Rev 21:1)

### 2. Resurrection means our future is RENEWED

- Our bodies are raised from the dead (Lk 24:5-6)
- Our bodies are transformed to conform to His glorious body (Phil 3:20-21) and it will be powerful, eternal and spiritual (1 Cor 15:42-44)
- how this matters now - while we are on earth, we care for our body and commit ourselves to work that truly matters in God's eyes in order to please Him and glorify Him (1 Cor 15:58, Ps 90:17)

### 3. Resurrection means our future is REDEEMED

- Redeemed relationships - reconciled relationships, experience the best of relationships with none of the worst
- Redeemed work - 100% God centered work, we will be active but it will be enriching, purposeful and satisfying (Rev 22:3)
- Redeemed creation - a whole new world that is restored to pristine beauty for us to experience and discover (Rom 8:21)

#### **QUESTIONS:**

1. What is it about receiving a new physical body when Jesus' comes again that excites you the most?
2. What is something new you discovered as you listened to the message last Sunday? How does this help you in your own Christian faith?
